I am a current member of the Academy of Model Aeronautics and I hereby release and forever discharge the owner, managers, and all other persons, entities, firms and any affiliated corporations associated with the Eagle Butte property, who it might be claimed to be liable, none of whom admit any liability, from any and all claims, demands, actions, causes of action or suits of any kind or nature whatsoever and particularly on account of any and all injuries known and unknown, both to person and property which have resulted or may in the future result from any accident which might occur as a result of my accessing the Eagle Butte site for the purpose of flying model aircraft. The undersigned hereby declares that the terms of this waiver have been completely read and are fully understood and voluntarily accepted for the purpose of making a full and final compromise adjustment and settlement of any and all claims, stipulated or otherwise, on account of the injuries and damages above mentioned, and for the express purposes of precluding forever and further or additional claims arising out of any possible accident by the undersigned.

It is further agreed that this release expresses a full and complete settlement of liability, regardless of the adequacy of the aforesaid and that the acceptance of this release shall not operate as an admission of the liability on the part of anyone, nor as estoppel, waiver, or bar with respect to any claim the part or parties release may have against the undersigned.

This release is binding on my heirs, executors, assigns and administrators

This is a voluntary release for any and all future injuries or accidents and is made in part as compensation for my use of this site to fly model aircraft. The undersigned is aware of the risks of the Eagle Butte site and flying model aircraft.
